Course evaluation form for Computer Science Lectures and Tutorials Winterterm 2011/12

Time period for evaluation: 23/01/2012 – 01/02/2012

What to do with this form:

Please fill in this form for each lecture you are attending. If there are several lecturers fort the same course, please fill in one form per lecturer. You can submit the forms either to the respective lecturer or to the study advisor (Ms. Martina Welte) or the program coordinator (Ms. Ursula Epe).

General information:

Name of course:

Name of lecturer:

Your study semester:

Your study program:

Please fill in your study program, like Master Computer Science, Bachelor ESE, Computer Science as a minor subject to the following major…

Questions about the course:

1. I learned a lot in this course.

    Strongly agree   Somewhat agree   Undecided   Somewhat disagree   Disagree

2. The level of the lecture contents is...

    Too high   Rather high   Appropriate   Rather low   Too low

3. The topical connections to other courses are identified.

    Strongly agree   Somewhat agree   Undecided   Somewhat disagree   Disagree

4. Some learning content has already been covered in other courses.

    Strongly agree   Somewhat agree   Undecided   Somewhat disagree   Disagree

5. A central theme of the course is clearly present.

    Strongly agree   Somewhat agree   Undecided   Somewhat disagree   Disagree

6. The learning materials (scripts, slides, web content, lecture recordings, literature etc.) are helpful.

    Strongly agree   Somewhat agree   Undecided   Somewhat disagree   Disagree

7. The lecturer explains well.

    Strongly agree   Somewhat agree   Undecided   Somewhat disagree   Disagree

8. The lecturer responds to questions from students sufficiently and comprehensible.

    Strongly agree   Somewhat agree   Undecided   Somewhat disagree   Disagree

9. How many hours a week do you invest in this course (including lectures, tutorials, preparation, exercise sheets etc.)?

    1 - 4 h   5 - 8 h   9 - 12 h   13 - 16 h

    17 - 20 h   21 - 24 h   > 24 h

10. How do you consume the lectures predominantly?

Present   Partly present, partly by recordings   By recordings

Neither

Explanation:

Questions about the tutorials:

Name of tutor:

11. The exercises are...

Too difficult   Rather difficult   Appropriate   Rather easy   Too easy

12. The tutorials are a good addition to the lecture.

Strongly agree   Somewhat agree   Undecided   Somewhat disagree   Disagree

13. The tutor explains well.

Strongly agree   Somewhat agree   Undecided   Somewhat disagree   Disagree

14. The group size of the tutorial is...

Too big   Appropriate   Too small

Comments:

15. What did you particularly like about the course? What should be kept this way?

16. What did you particularly dislike about the course? What could be improved?

Teaching Award:

I would like to recommend the lecturer for the faculty's teaching award.

Explanation:

UNI FREIBURG
